

STATEMENT OF OWNERSHIP

My portfolio is a way to display a comprehensive collection of my best work to potential uses. In my opinion designing anything in life is a part of learning new things and I love to drawing, therefore my aim was to move forward in this field gain more knowledge in designing fields and have an individual identity.

I hereby acknowledge that, all the materials that are included in my portfolio are created by me itself. All the collection work with the help of our teacher was individually created by me. Please do not hesitate to contact in case of any clarifications from my side regarding the portfolio.
